LASER SHOT LBP-3370

Mono Laser Network Printer

Canon
advanced simplicity®

Fast, economical and stylish. A versatile printer with PCL and integrated network for small workgroups.

Mid Range

Perfect for the small business or professional home office, the LASER SHOT LBP3370 combines 26 pages per minute speed (13.3ppm auto duplex) with PCL, network and instant warm up, so your important business documents are printed with no downtime.
There's zero warm up time from sleep mode due to our On-Demand Fixing Technology – and a quick first print out time of only 6.5 seconds. You benefit from professional output with sharp text and clear graphics, thanks to a print resolution of up to 9600 x 600 dpi.

Key Features

High Definition Full Print

- The LASER SHOT LBP-3370 is equipped with a laser printer engine of 600 dpi resolution.
- Its gradation control enables high-definition print at a resolution equivalent to 9600 x 600 dpi[1].

Integrated Network

- The LBP3370 is network ready meaning the printer can be easily shared between any small office workgroups.

High Performance Printing System "CAPT" 3.0

- Equipped with Canon's latest High Performing Printing System "CAPT" 3.0 (Canon Advanced Printing Technology), the LBP-3370 can deliver high-speed printing because it works together with the processing power of your PC to process large amounts of data quickly - so there is no need for additional printer memory.

All-in-one cartridges

- The LBP3370 utilises a all-in-one cartridge which means a "Intermediate Transfer Unit", "Photosensitive Drum", and "Waste Toner Container" that are normally individual consumables, are all combined, meaning less consumables to stock and less fuss and also saves you money in the long run.

Low Power Consumption and Quick Start Up

- By adopting Canon's unique On-Demand Fixing System, the LBP-3370 achieves low power consumption and quick start-up. This enables instantaneous heating of the fusing heater only before printing, saving warm-up time. The LBP-3370 is always ready to print.

Quality images
Brilliant quality B&W printing equivalent to 9600 x 600 dpi using A.I.R*

Fast Printing
Prints up to 26ppm mono[1,2.]
Prints up to 13.3ppm auto duplex

Connectivity
Integrated Network
High speed USB 2.0

Double Sided Printing
Auto duplex for easy double sided printing

Large Paper Capacity
With a 250 sheet paper tray plus a 50 sheet multipurpose tray your printer will always be ready to print with little paper re-loading required

Fast Data Processing
Uses Canon's unique Hi-SCoA compression technology for super fast print data processing.

Instant Warm Up
No waiting around for prints – 0 secs from stand-by mode

Media variety
Prints on a variety of media including heavy paper. Transparencies (b&w only) and envelopes.

Easy Maintenance
All-in-one cartridge system, meaning easy maintenance with only 1 consumable to stock – drum, waste toner box all integrated into the cartridge.

Laser Printers

Canon laser printers combine a range of features and technologies to deliver fast, high quality and reliable printing. So, if you are looking to create professional business documents while reducing your running costs, Canon lasers fit the bill.

LASER SHOT LBP-3370

Mono Laser Network Printer

Canon

LBP3370 Technical Specifications	
Printing Method	
Machine Type	Laser Printer – Black and White
Print Speed[1,2]	
Mono	26 ppm (A4 pages)
Duplex Printing	13.3 ppm (A4)
Printing Resolution	600 x 600 dpi (max 9600 x 600 dpi equivalent)
Other Features	
Method of Fixing	On demand fixing system
Warm Up Time	0 sec from standby mode Less than 8 secs from power on
First Print Out Time[2]	Less than 6.5 seconds
Printing Language	PCL5e / 6 / UFR II
Memory	64MB RAM using Canon's unique Hi-SCoA compression technology (no additional memory required)
Media Handling	
Paper Handling	Input trays: 250-sheet paper cassette plus 50 sheet multipurpose tray, optional 250-sheet paper cassette (PF35P) Output trays: Face down 125 sheets max.
Auto Duplex	Integrated – for easy double sided printing
Paper/Media Type	Plain paper, thick paper, recycled paper, coloured paper, labels, transparencies (black and white), envelopes and postcards (index cards).
Supported Paper Sizes	Multipurpose tray: A4, B5, A5, Legal, Letter, Executive, Envelope (DL, COM10, C5, Monarch, B5) and index card; Plain paper (64gsm - 105gsm), thick paper (106gsm -135gsm and paper listed above from 76.2 (W) x 127(L) mm to 215.9 (W) x 355.6 (L) mm. Cassette (optional): A4, B5, A5, Legal, Letter, Executive, 250 page capacity at 64gsm.
Optional	250-sheet paper cassette (PF-35P)
Consumables	
Toner Cartridge	Cartridge-315 can print approximately 3,000 pages. Cartridge-315ii can print approximately 7,000 pages at 5% coverage.
General Features	
Interface Type[3]	USB 2.0 High Speed, 10Base-T/100Base-TX (optional).
Supported Operating System[3]	Windows ® Server 2003, Windows ® 2000, Windows Vista and MAC OS 10.2.8 – 10.5.0 (download only) Linux (download only) MetaFrame
Included as Standard	LASER SHOT LBP-3370, Toner Cartridge CART315 (3,000pgs), User Software CD ROM, Getting Started Guide, power cable.
Warranty	Return to base 12 month warranty
Power Consumption	Standby: less than 9W; Printing: 403; Max: less than 950 watts.
Noise	Sound pressure level, operating: 55 dB or less Audio power level, operating: 6.81dB or less; standby: background noise level.
Dimensions (W x D x H)	399.7 x 378.6 x 267 mm
Weight	Approx. 11.4kg (excluding toner and drum cartridges)

Disclaimers

1. Based on 5% coverage on an A4 sheet.
2. Print speed may vary with the content of the document and the processing speed of the host computer. Time from when print data is received.
3. USB 2.0 Hi-speed performance requires Windows XP with Service Pack 1 or Windows 2000 with Service Pack 4 with pre-installed USB 2.0 High-speed port. Drivers are provided for Windows operating systems only. Other operating systems are not supported.
